MEMORANDUM FOR: Assistant Deputy Director for Support

SUBJECT: Vehicle Purchase Limitations

1. You left with me a draft memorandum from the Director of Finance concerning the purchase of a limousine for the Agency. As we discussed with Mr. Fuchs when he raised the question orally with us, he has made no distribution in case changes are wanted in the language. I would suggest that if Mr. Fuchs wishes to press the inquiry he address his memorandum directly to the General Counsel and merely request a legal opinion, which in effect this office has given him.

1 to 3 & 5:

In accordance with our conversation several days ago there is forwarded herewith a formal memorandum for General Counsel through DD/S requesting a formal opinion as to the authority for the legality of a specific purchase and the treatment of like transactions in the future. I have not distributed this to any other office since you may wish to suggest changes in language before it is finally released as an official memorandum.
